

Belmont Media Center

Belmont Media Center, Belmont, MA 2009

Owner: Belmont Media Center
Architect: Scott and Scott Architects
General Contractor: R.C. Griffin, Inc.

Project Summary

R.C. Griffin, Inc. transformed a former rental center building into a modern studio and office space, complete with 2 studios, including the installation of a studio lighting rack system, a control room, equipment room, conference room, administrative offices, and new kitchen and handicap-accessible bathrooms.
