

The Clark School Danvers, MA

The Clark School 2002

Owner: Ron and Sharon Clark
Architects: LDA Architects Cambridge, Ma
R.C.Griffin, Inc.: General Contractor

Project Summary

The Clark School is a private K through grade 8 school in Danvers, Ma. A 2,500 sf wood framed 2 classroom building needed to be constructed during the summer vacation. The "Barn Design" replicates an out building from the main "Farm House" school building built in 1665. R.C. Griffin, Inc. utilized their design/build capabilities to construct this building on time and the school open as scheduled
