

Marvin Window Showroom Boston

Marvin Window and Door Showroom 2002
Owner: J.B. Sash and Door
Architects: UK Architects
R.C.Griffin, Inc.: General Contractor

Project Summary

This project transformed a section of an existing warehouse to an elaborate 2 story Marvin Door and Window Showroom. The showroom illustrates the latest windows in a practical display. Along with a wooden stairway this showroom displays the complete line of products that J.B. Sash offers.
