

Saugus Baptist Church

Main Sanctuary

Fellowship Hall

New Hall Kitchen

First Baptist Church 2005

Owner: First Baptist Church
Architect: Dion and Sokol Architects, Sudbury, MA
R.C. Griffin, Inc.: Construction Manager

Project Summary

R.C. Griffin assisted the First Baptist Church in the selection of a new building for their congregation, transforming a 6,200sf. former preschool center to a handicap accessible church. This project consisted of a new sanctuary, church offices, and fellowship hall with a full kitchen. The plumbing, wiring, and HVAC systems were completely upgraded. The project was completed on time and under the original budget.
