To Whom It May Concern:

I would like to take this time to recommend R.C. Griffin Contractors as the builder of your exciting community project. As the Building Fund Chairperson of the Zion Baptist Church, I found that this contractor's work was superb. They were extremely knowledgeable in building and they were able to carry us through each phase of construction and finance. Most of their sub-contractors did the specified work in a timely manner. Any problems with zoning, the building department, fire department and other city agencies, were handled very professionally by R.C. Griffin. I felt very strongly that this company built trust with the Building Fund committee and with The Zion Baptist Church. This company was aware of the latest innovations and technology. This knowledge was passed on to us as we were building our edifice to Christ. R.C. Griffin also had a positive professional relationship with our architect, Robert Dion of Dion and Sokol of Sudbury, Massachusetts.

If you require further information, please feel free to contact me at my home at (617) 639-2788.

Sincerely,

Gerald Alleyne,
Building Fund Chairperson
